Request For Proposal (RFP) Development Assistance

Description:
As provided under New York State Finance Law Section 163, the New York State Insurance Department (DOI) intends to procure, as a discretionary transaction, the services of an entity to assist DOI with the development of a request for proposals to complete services required as a component of the U. S. Department of Health and Human Services (HHS), Office of Consumer Information and Insurance Oversight, State Planning and Establishment Grants for the Affordable Care Act's Exchanges Funding Opportunity Announcement (FOA) No. IE-HBE-10-001 and the Cooperative Agreement to Support Establishment of State-Operated Health Insurance Exchanges Funding Opportunity Announcement (FOA) No. IE-HBE-11-004. The complete funding announcement is attached or can be viewed at www.grants.gov by searching CFDA No.: 93.525.

BACKGROUND

On March 23 and 30, 2010, the President signed into law the Patient Protection and Affordable Care Act, Public Law 111-148 and the Health Care and Education Reconciliation Act, Public Law 111-152. The two laws are collectively referred to as the Affordable Care Act (ACA). The ACA creates new competitive health insurance markets called "Exchanges" that will give millions of Americans and small businesses access to affordable coverage. Exchanges must be operational in each state by January 1, 2014. States must demonstrate readiness by January 1, 2013.

SCOPE OF WORK

The contractor will be required to

review the grants noted above;
consult with State representatives regarding required services;
develop a request for proposals to procure a broad array of services essential to the development of one or more health insurance Exchanges;
ensure the request for proposals meets all New York State Finance Law requirements.

The completed request for proposals will be subject to the joint review and approval of the NYS Department of Health (DOH) and the DOI prior to submission. The contractor may be required to make adjustments to the request for proposals to address any federal funding stipulations applied to the federal grant funds that will support the contract entered into pursuant to the request for proposals.

TO APPLY:

Interested parties should submit a description of available services, qualifications for performance of such services, hourly rates and titles of staff members or consultants and an estimated project cost.

The contractual agreement will be via a small dollar contract or a Purchase Order as appropriate.
